

# POP UP STAND

Assembly Instructions

01733 511030  
sales@xldisplays.co.uk

## 1 XLPRO® Pop Up Stand Kit includes:

Aluminium frame, Magnetic bars, Printed graphic panels, Zeus transport case with printed graphic wrap, LED lights  
**Please note: contents vary with stand size.**

## 2 Remove and Open the Frame

Take the pop-up frame out of the carry bag. Holding both sides, gently pull the frame outward to expand it.

## 3 Fully Extend the Frame

Continue expanding the frame until all magnetic stalks connect and lock securely into position.

## 4 Attach Magnetic Bars

Connect the magnetic bars to the frame by aligning them with the magnetic nodes.

## 5 Complete Frame Setup

Attach all magnetic bars, ensuring the top, middle, and bottom bars are fully secured.

## 6 Prepare the Graphic Panels

Carefully unroll each graphic panel. Hook the top of each panel onto the retaining hooks at the top of the frame. The magnetic hooks will click into place.

## 7 Install Graphic Panels

Starting from one end, hang each panel in sequence, securing them along the top while aligning the graphics as you go.

## 8 Align Graphics

Ensure each panel aligns with the vertical magnetic strips on the frame. Adjust as necessary for a seamless appearance.

## 9 Final Check

Your pop-up stand is now fully assembled and ready for use.

# ZEUS CASE GRAPHIC WRAP

Assembly Instructions

1

From the back of your case, take the graphic wrap and wrap it around the front and around towards you at the back.

2

Pull the graphic wrap tight around the case, ensuring there is no slack .

3

Keep a tight tension on the graphic wrap and line up the magnetic fastening strips down the back of the panel.

4

You are now ready for your exhibition
